Welcome to Kettering Borough Council's summer holiday activities booklet.

Councillor Russell Roberts, portfolio holder for community and rural

“It fills me with great pride to see how many clubs and organisations are working together to provide activities for young people over the summer holidays.

Every year we are able to provide more activities for young people across the borough and that is due to the excellent relationship we have with our partners”

Kettering Borough Council would like to thank all the committees, clubs, groups, village halls and the organisations involved in this years summer programme, without their help support and commitment, we would not be able to run our holiday schemes”.

Summer activities must be booked in advance ☎ 01536 410266.

All payments to be made at Kettering Tourist Information Centre.

Please ensure all participants wear appropriate clothing, bring drinks, lunch and any medication required.
