**23,645**

**3,941 participants from priority groups each year**  
**328 participants every month**  
**23,645 additional adults actively engaged by 2012**

Sport England exists to sustain and increase participation in community sport amongst priority groups. Our main focus is on people aged 16 years plus. Priority groups are defined as women, black and minority ethnic groups, disabled people and lower socio-economic groups. In the East Midlands, our ambition is to get 158,850 people more active in community sport by 2012 / 2013.
