Competition Rules
<p>Boccia is an attack and defend game, with two sides competing over a set number of ends. The aim is to score as many points as possible by placing their set of coloured balls closest to the white 'Jack' ball</p> <ul style="list-style-type: none"> <li>• A ball can be propelled by rolling, throwing or kicking. If a player is unable to throw or kick it, they can use a 'ramp' (assistive device).</li> <li>• If they are unable to release the ball with their hands players can use a head pointer.</li> <li>• All players must be seated during the game.</li> <li>• An end consists of all 13 balls being propelled onto court (the Jack, 6 Red and 6 Blue).</li> <li>• Each team has 3 players on court for each match. (Teams can have up to 5 players)</li> <li>• Decided using a coin toss, the winning player/captain chooses to be red or blue.</li> <li>• Both sides must occupy a designated box on the court from where balls are propelled. Red in boxes 1, 3 and 5. Blue in boxes 2, 4 and 6</li> <li>• The red side always begins the first end by propelling the jack into court. The player who propels the jack ball also propels their team's first coloured ball. A player from the opposite side then propels their first coloured ball.</li> <li>• The side not closest to the jack plays until they get closer, or run out of balls. The end is complete when all balls from both sides have been propelled.</li> <li>• One point is awarded for every ball of the same colour, which is closest to the jack.</li> </ul>

- Substitutions - 2 Substitutions can be made during the match, between ends. Violations – At County and Regional competitions guidance will be given if violations are incurred, there will be no penalty balls.

3 end Boccia (is recommended to be played at County) but 2, 3 or 4 end Boccia can be played if enough courts and time is available – Each team has the jack for one end; the captain decides who should propel the jack onto court. This must be from a different box each end. For the third end the jack is placed on the cross and a coin toss decides which team plays first. This must be from a different box to previous ends

### Scoring

If the scores are level following completion of 3 ends a Tie Break is played to determine the winner.

Win = 5 points

Draw = 3 points
