# XPLORER

Explore the Park • Find the Markers • Complete the Challenge • Have Fun Together

## HAVE A GO TODAY!

Xplorer is the perfect outdoor activity for children and their families.  
Xplorer is educational and fun and gives children a sense of adventure as they explore the park to find the markers.

Children will enjoy using a simple map to complete the navigational challenges. **There are two courses to choose from:**

**Challenge 1:** You need to find 15 markers (shown on the map by a numbered circle). At each marker you need to identify the animal that is pictured and enjoy learning a fun fact to tell your friends.

**Challenge 2:** You need to find 10 markers (shown on the map by a numbered square). At each marker you need to identify what is pictured and learn an interesting fact about it by answering a multiple choice question.

The start and finish of the Xplorer challenge is shown on the map by the triangle (where the registration desk is).

## YOU CAN EITHER:

Compete against your friends and family by finding all the markers in the fastest time.

**OR**

Find the markers at your own pace and have fun exploring the park.

To take part simply register, collect your map and answer sheet and go Xplore!

# GOOD LUCK!
